

NEW DMPT free PVC repair compound COSMO® SP-710.110

The clean and cost-efficient solution for PVC repairs

The new **DMPT free PVC repair compound COSMO® SP-710.110** is the ideal solution for repairing cracks, misdrilled holes and other damage to white rigid PVC profiles.

FOCUS ON HEALTH

- + No DMPT related health risks
- + No GHS hazard symbol for acute toxicity

COST-EFFICIENT

- + Prevents complaints caused by damaged profiles
- + Quick repairs instead of complete replacement
- + Less installation work for installers

SPECIAL PROPERTIES

- + Fast, easy and safe handling
- + Suitable for white rigid PVC profiles
- + Practical mini pack for single use
