COSMO® SP-300.200

NATURE PROFILE CLEANER

200ml

FITTING OIL

30ml

SPECIAL CARE PEN

1 x

PROFI MICROFIBRE CLOTH

1 x

NATURE PROFILE CLEANER 1

Active surfactant cleaner for cleaning and care of varnished and thick-glazed wooden windows and front doors, as well as wood-
en roller and folding shutters.

for wood

PROFI MICROFIBRE CLOTH

Special cleaning cloth with high mesh count for professional cleaning of all profile surfaces in combination with UNIVERSAL PROFILE CLEANER and SPECIAL PROFIL CLEANER.

SPECIAL CARE PEN 2

For care and preservation of sealings. Maintains flexibility and prevents seals from sticking to the profile in summer and freezing in winter.

FITTING OIL 3

For care and preservation of fitting and hinges. Maintains the required sliding properties of moving parts, thereby preventing dry friction combined with seizing/wear of metals and also provides additional corrosion protection.
